We won the DEMOCRATIC Primary Election for Judge of Bexar County Court 12 with 63% of the vote!

I am overwhelmed by the support given to my campaign these past 8 months. Thank you to my family, friends, campaign volunteers, and everyone who voted. Together, you made tonight's win possible.

Over the course of my 20-year career, I have gained a unique perspective and a deep expertise of the judicial system. I'm ready to put that to work for the people of Bexar County—with integrity, balance, and empathy.

This race isn't over. I'll ask you to turn out again for the November election. But for now, we celebrate!
